

PEMF Auckland

*Pure Energy Multi-dimensional Field sessions
helping you feel much better !*

Your intention is important as you receive the treatments, either in person or during the distant sessions. What do you really want to achieve with the PEMF sessions? Are you willing to allow the energy to work for you and to release the discomfort or reason you came for treatment? Have the intention that your complete healing occurs easily and quickly. It may not happen how you expect it to. It may be physically, emotionally, mentally, spiritually or some other way in your life!

I will walk with you on your journey to health and happiness for as long as you want me to help you. Everything you say to me is kept confidential. Your personal details are kept confidential, although I would like to share your feedback and responses relating to the treatments - without revealing your identity. You are welcome to give me personal feedback or post on the pemfauckland facebook page. <https://www.facebook.com/pemfinfo/>

I am not a licensed healthcare provider. I make no claims, promises nor guarantees in regard to your health. I do not diagnose nor prescribe, but if it is appropriate I may make suggestions for you to investigate for yourself. It is you, your body, mind, consciousness which will use the energy in the best way for you.

Any contact via text, phone or email will only be in relation to PEMF Auckland and will be for your support.
